Building Blocks for Cambodia's CC Response

CAMBODIA CLIMATE CHANGE ALLIANCE

Engagement under UNFCCC

Cambodia's commitments

- Parties to the UNFCCC, Kyoto Protocol, accepted Doha Amendment for Kyoto second commandment period, Signatory of Climate Change Paris agreement
- Submitted First and Second National Communication, National Adaptation Program of Action, Intended Nationally Determined Contribution, (Available in both UNFCCC Website and National Climate Change Website)
- National Assembly voted to unanimously on the Draft Law of Climate Change Paris Agreement on 23 Nov 2016.

South-South Cooperation and Partnerships

- State visit of Nepalese delegates to Cambodia in July 2016
- Participated in regional forum, ASEAN
- Cambodia became a member of International Solar Alliance in COP 22
- Discussion to participation in South-South Cooperation initiative with China.

Engagement under UNFCCC (Cont)

Technology Transfer

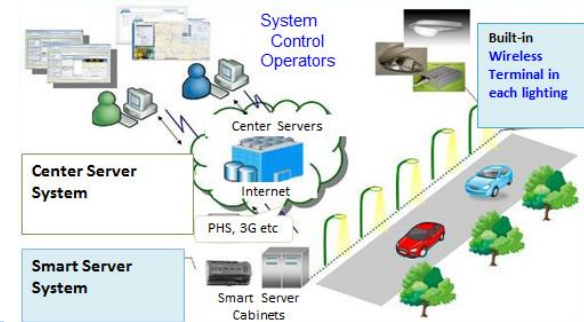

- Technology Need Assessment, Technology Action Plan (TAP)
- 2 Joint Crediting Mechanism (JCM), 12 Cleaner Development Mechanism (CDM).

Climate Finance

- Cambodia has mobilized climate finance about USD 80 million., annually
- Source of support, GEF, LDCF, Bilateral support (EU, Sweden, UNDP, Climate Investment Fund, ADB, IFAD, and others).
- New source: Green Climate Fund (GCF)
- Prepare for National Accreditation for GCF
- Cambodia has prepared Climate Change Financing Framework, Annual Public Climate Change Expenditure Review, tracking climate change finance in ODA system

Capacity Development

- Focus on all level of stakeholders
- Produced training, awareness raising materials, online sharing platform
- Education Curriculum for Secondary, High School and University level
- For example: Training to 9 ministries on Climate Change Policy and Public Finance (UNITAR, EFI/MEF, and CCCA)

High Efficiency LED Lighting Utilizing Wireless Network

Policy Response

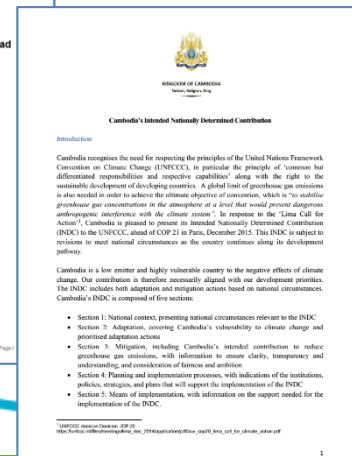

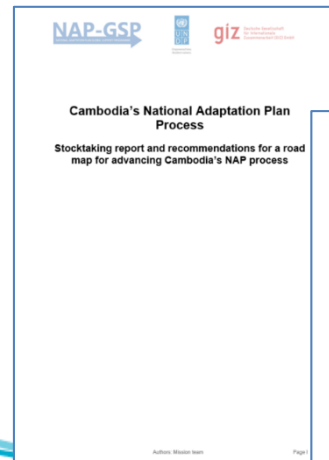

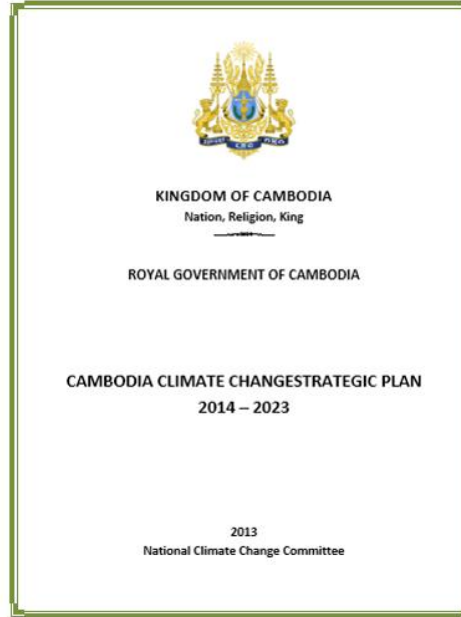

Cambodia Climate Change Strategic Plan 2014-2023 is the first comprehensive strategic plan for Cambodia.

14 line ministries have operationalized the CCCSP into their sector Climate Change Action Plan (CCAP)

Cambodia also has prepared other policy documents responding to UNFCCC, i.e.

NAP and INDC

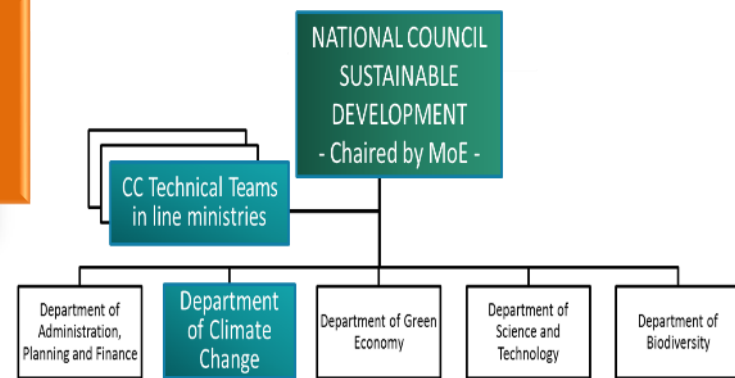

CAMBODIA CLIMATE CHANGE ALLIANCE

- Section 1: National context, presenting national circumstances relevant to the INDC
- Section 2: Adaptation, covering Cambodia's vulnerability to climate change and prioritized adaptation actions
- Section 3: Mitigation, including Cambodia's intended contribution to reduce greenhouse gas emissions, with information to ensure clarity, transparency and understanding, and consideration of fairness and justice
- Section 4: Planning and implementation processes, with indications of the institutions, policies, strategies, and plans that will support the implementation of the INDC
- Section 5: Means of implementation, with information on the support needed for the implementation of the INDC

Institutional Arrangement

New Institutional Arrangements for Climate Change

Mandated to prepare, coordinate and monitor the implementation of relevant policies, strategies, legal instruments, plans and programmes, including **CCCSP/CCAP**

Membership: Samdach Prime Minister, 36 ministries/agencies, all provincial governors and municipality, and secretary general.

31 Aug 2016, First NCS D Meeting

Capacity Development and Outreach
